

**Panel Discussion for the Nuclear Cleanup Caucus (NCC)
June 7, 2017**

“EM’s Cost Reduction Initiative”

You, or a representative of your company, are invited to attend a panel discussion and reception sponsored by the Energy Facility Contractors Group (EFCOG), the Energy Technology and Environmental Business Association, (ETEBA), and the Nuclear Energy Institute (NEI). Our special guests will be Rep. Chuck Fleischmann, Caucus Chairman; Rep. Ben Lujan, Co-Chairman; and members of the Nuclear Cleanup Caucus of the U. S. House of Representatives.

This event will be held from 5:00 to 6:30 p.m. on Wednesday, June 7, 2017 in Washington, D.C. in the Rayburn House Office Building, room 2043.

The theme of this meeting, “EM’s Cost Reduction Initiative,” will be explored by a panel of DOE EM officials and contractors including Ms. Sue Cange, acting Assistant Secretary of Energy for Environmental Management (EM); Mr. Stuart MacVean, President, Savannah River Nuclear Solutions; Mr. Doug Shoop, Richland Operations Office Manager; and Ms. Sandra Fairchild, EFCOG Vice Chair Elect. Mr. Billy Morrison, EFCOG Chair, will moderate the panel.

To RSVP, please send an email to: cleanup@nei.org by close of business on Friday, June 2, 2017.

This is a widely attended event. Make your travel arrangements as soon as possible.
