You are Invited to attend Student Day 2018! Student Day is being held in conjunction with the Business Opportunities and Technical Conference, hosted by the Energy, Technology and Environmental Business Association (a 501(c)(6) non-profit nationwide trade association) at the Knoxville Convention Center in Knoxville, TN. If you are a student in STEM related curriculum this is the place to get recruited for internship and entry level jobs in the Nuclear Industry. Jobs in Energy, Technology and Environmental Services are available. Meet with ETEBA members and other companies recruiting at this event. Sign up as an ETEBA Student Member during this event and learn more about the ETEBA student database which connects students with prospective companies. Student participation at the event and membership at ETEBA for students are FREE!

ETEBA Member Jennifer Stone of Wood Group is the event coordinator for the ETEBA Student Internship and Job Fair that is held in conjunction with the ETEBA BOTC 2018. To SIGN UP FOR FREE to participate in the Student Internship/ Job Fair as a student or company interested in recruiting at this event; or for more information on the Member Job Bank and Student Resume Database please contact Jennifer Stone at [jennifer.stone@woodplc.com](mailto:jennifer.stone@woodplc.com)

## **ETEBA Student Relations Committee**

### STUDENT RELATIONS COMMITTEE GOALS

- Provide scholarship opportunities to students at multiple universities in TN and New Mexico
- Work with our member companies to coordinate internship opportunities for students
- Provide interested students a complimentary 1-year free membership to ETEBA
- Host a Students platform on our website where students can upload their resume and get matched with member company job and internship postings <https://eteba.org/students/>
- Coordinate an Internship and Job Fair as part of our annual Business Opportunities and Technical Conference in Knoxville

ETEBA accepts donations to its student fundraisers and student committee efforts.
